Welcome to the latest edition of Woodard Voice, which I hope will also serve as a useful update on some of our present thinking and initiatives for the year ahead.

Dear Colleagues, Fellows and Members, 

Chapters at which we promised to collect together the themes of Woodard, 

The projects undertaken so far have certainly demonstrated that we have within the family of schools some outstanding practice which, when shared across the group, builds collaboration and helps with impact on the group and on teachers and pupils’ outcomes, and that by way of context, back in the academic year 2013/2014 the By way of context, back in the academic year 2013/2014 the

as internal-servicing role. (a) Outward-looking: a clear vision for

But the Board’s potential collaboration with a Chinese educational programme out to all the schools in the group – and maybe beyond.

considering the following initiatives, using our more operational filters

As a brief summary of “work in progress” as it touches on the Corporate Chapters and I am grateful for the honesty and enthusiasm them applauded for their content and reviewed as outstanding.

In terms of Woodard and a national voice there is still much to do but

But there are other things we can do. In real terms,

the view that the Recognition of Woodard as an educational provider

work at a conference for the Custodes of the incorporated schools and

produce economies of scale that can help reduce the cost base for

Fundamentally, Woodard needs to have both an outward-looking as well

We need to ensure that Woodard stands for an ‘outstanding

There is a moral imperative for encouraging

Our experiences are high. We want Woodard schools, in

The role and responsibilities of an Investment Committee, and the criteria to be used as the basis for its investment recommendations,
